

Fresh Intelligence Research Corp.

Privacy Policy

Fresh Intelligence values your privacy. The purpose of this privacy policy is to disclose to you the types of personal information we gather, how we gather it, what we use it for, and inform you of the choices that you have in our use of your personal information.

The Personal Information Protection and Electronic Documents Act is legislation enacted by the Canadian government. That Act relates to the collection of personal information by businesses, and we fully adhere to it.

Personal information we collect

We collect a variety of personal information from you, depending upon the type of interaction that we have with you.

For example, we may collect "basic" personal information from you when you contact us by telephone to ask general questions about Fresh Intelligence (such as the type of services we provide), or when you contact us by email (for example, through the "Contact Us" link on our website). The types of basic information we might collect could include:

- your name
- your address
- your telephone number
- your e-mail address
- your company Name

Once you express an interest in us performing research services for you, we will likely obtain a fair amount of company information to better understand your needs and determine what services we can offer you.

Once you formally retain us to provide research services, we will obtain a great deal of very sensitive company information in order to provide you with the services required by you or that we feel are needed by you.

Our policy regarding sharing of information:

We never distribute or share your personal information to any third parties without your written consent, except as follows:

- We use Stripe Payment processing services to perform our payment processing and of necessity you will be providing them with personal information needed by them to do so.

Control of Your Information

You always have the right to access any personal information that we have collected from and about you, for example, to verify its accuracy. You only have to make a written request for such access and we will be happy to comply with your requests in that regard.
